The United States, by and through the undersigned Assistant United States Attorney, and pursuant to the District of Utah Criminal Rule 32-1(b), declares that it has one objection to the Presentence Report. In paragraph 59, the Presentence Report states that there is no restitution owing. The United States has yet to receive a restitution request from the victim in this case, but the government has also not confirmed that no such request will be made. Should the government receive a restitution request prior to sentencing, it will promptly relay the request to the defendant, to United States Probation,

and to the Court. Further, the United States is unaware of any disputed matters between the United States and defendant with respect to the Presentence Report.

DATED: 12 April 2012.
